___ \$75 Student

October 4, 2012, San Diego, CA

___ \$375 General Registration Fee

___ \$300 SCAW Institutional Member Fee

___ \$120 Student

Training

It is expected that this course will be approved for hours of continuing education credit in jurisdictions which recognize **AAVSB RACE** approval; however participants should be aware that some boards have limitations on the number of hours accepted in certain categories and/or restrictions on certain methods of delivery of continued education. Call the SCAW office at 301 345-3500 for further information.

This workshop will help meet the requirement stated in the *Guide for the Care and Use of Laboratory Animals 8th edition, 2011* that states "All personnel involved with the care and use of animals must be adequately educated, trained, and/or qualified in basic principles of laboratory animal science to help ensure high-quality science and animal well-being". It will also address USDA/APHIS/AC Policy 15.
